On the 18th June 2011 there will be the Circuito del Tricolore, commemoration of the Campionato Provinciale Automobilistico organized by Reale Automobile Club d'Italia that has become part of the Motor Valley in 2007. The Circuito del Tricolore is valid also for the reliability Championship Torri & Motori organized by Scuderia Modena Historica and Bologna Autostoriche. On Saturday 18th June the meeting point will be by the provincial Confcommercio seat (10, Giglioli Valle street - Reggio Emilia) at 7:30 am. The technical checks are scheduled, as well as the crew numbering. Following the departure to Scandiano, then heading to Baiso, direction Carpineti. In Carpineti there will be the classic Castello delle Carpinete ability trial to win the "Memorial Andrea Magnani". The vehicles will pass through Felina, Casina, Cortogno, Quattro Castella and Terre Matildiche, as well as through the suggestive hills leading to Reggio Emilia (passage through Quattro Castella, Puianello, Albinea and Borzano). Arrival in Prampolini square in the afternoon and passing along the Emilia street. The stop in Prampolini square will give to all the enthusiasts the chance to admire the vehicles and attend to the prizegiving.
